Museum

In the Museum Statistics, a museum refers to an administrative unit that includes one or more museum sites.

Museum site

A museum site refers to a single site that is regularly open to the public. One museum may manage several museum sites.

The information in the Museum Statistics applies mainly to museums. Only the information on visits and opening hours is also available by museum site.

The museum statistics 2017 cover 154 professionally-run museums (administrative units) maintaining 323 museum sites.
